PRIVACY POLICY

This Policy only applies to the usage of Personal Data of (prospective) clients, vendors or other business partners (individuals) for which We are responsible and qualify as a controller in the meaning of the General Data Protection Regulation (2016/679/EU) ("GDPR") or similar qualification under other data protection laws, whereby We determine the purpose and the means of the processing of such Personal Data.

TERM OF SERVICE

The Client warrants that he/she will not use any of the rights granted in any Agreement for any illegal, obscene, immoral or defamatory purposes and will not in any way bring SFM into disrepute. The Client shall not in any way whatsoever use or combine the SFM name, in whole or in part, for the purpose of trading activities. SFM reserves the right to cooperate with any official investigating authority if required in relation to any allegations of impropriety against the Client.
